

Non-substantial follow-up to the European Parliament non-legislative resolution on the European Water Resilience Strategy

- 1. Rapporteur:** Thomas BAJADA (S&D / MT)
- 2. References:** 2024/2104(INI) / A10-0073/2025 / P10_TA(2025)0091
- 3. Date of adoption of the resolution:** 7 May 2025
- 4. Competent Parliamentary Committee:** Committee on Environment, Climate and Food Safety (ENVI)
- 5. Competence:** Commissioner ROSWALL

Reason:

The Commission will not be responding formally because Commissioner Roswall addressed the issues raised in the report during the plenary debate in Strasbourg on 6 May. The Commission has also taken account of the Parliament's Report in the Water Resilience Strategy¹, which was adopted by the Commission on 4 June.
